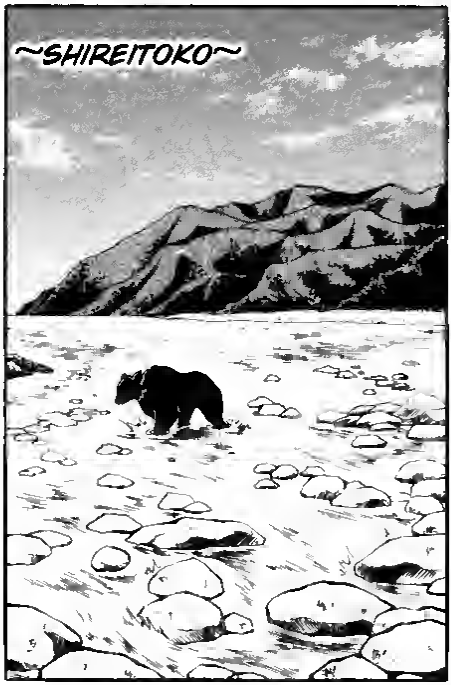
#10 Familial love and Muromi-san

Muromi-san of the seaside



Hump back salmon

*Originally in English

I've got you!
I WAS ACCIDENTALLY SPEAKING ENGLISH FOR A SECOND THERE, BUT...
I DON'T LIKE IT WHEN THINGS GET ROUGH, SO STOP IT!
I GET THAT I LOOK *MUCH* MORE APPETIZING THAN THAT SALMON, BUT STILL!
IF YOU WANT FISH, I CAN GET LOTS OF THEM FOR YOU.
HUH? YOU'RE A MOTHER BEAR? IF YOU HAD KIDS YOU SHOULDA SAID SO.

RAISING CHILDREN AS A WIDOWED MOTHER MUST BE TOUGH.
EH? THERE'S HAPPINESS IN THAT?
HMM... I SEE..
Forever single
ACTUALLY I DON'T. I CAN'T SEE MYSELF BECOMING A MOTHER. I'LL NEVER UNDERSTAND...
IT MUST BE NICE, TO HAVE FOUND SOMEONE WHO'S MADE YOU HAPPY IN YOUR OWN SPECIAL WAY...
WHAT ABOUT ME? IT'S FINE, I'LL JUST HAVE SOME WHEN I GET MORE.
HERE, TAKE THE REST YOU SHOULD HAVE SOME TOO MOTHER BEAR~
HUH? YOU STILL WANT MORE? AH THAT'S RIGHT, IT'S ALMOST TIME FOR WINTER HIBERNATION IN THIS REGION.

No!
Aah, Nuromi-san!
I'M PRETTY POPULAR AMONG THE FISH WHO ENTER THEIR BREEDING SEASON, SO CATCHING THEM IS EASY PEASY.
THOUGH, I DON'T LIKE IT WHEN THE INCONSIDERATE ONES TRY TO GET UP CLOSE AND PERSONAL.
Female fish
HMM...
ボイ
NAH, I'D NEVER.
...
A FAMILY, HUH...

TL note:
Friendly reminder that Muromi speaks in a Hakata dialect (博多弁), but World Three didn't include it in their releases of the previous chapters, so I didn't either.
